

Coffee Shop Volunteer Appeal

Following concerns raised in December 2022 regarding pressure on the Coffee Shop Manager resulting from a shortage of volunteers, a Coffee Shop Working Party was set up by the Kirk Session to review the operation of the Coffee Shop.

The key challenge for the Coffee Shop is the shortage of helpers.

Are you able to volunteer a few hours every week or every other week, as a server or cook or to prepare drinks or toasties, to help ensure the future of this very visible contribution to "Community" by Cadder Church? If so, please contact the Manager, Jaqueline, on 07496 440 403 to talk over possible options for service on a trial, temporary or more permanent basis.

You will be joining a welcoming and friendly bunch who all enjoy what they are doing to serve Cadder Church and the wider community. **We hope you can help.**

With Best wishes
The Coffee Shop Working Party
