A View from the Manse

Dear friends

I recently had lunch with a good friend, who coaches leaders, and his work takes him around the world. It's always fascinating to listen to him, as he has so much valuable insight into leadership. Recently, we approached the subject of the ideal life; he told me that many years ago, he was searching for the ideal life, his office job had been depressing him, and so he stepped out in faith, asking the question, "what is the ideal life?" and from this question, his career began in coaching leaders.

It made me think deeply also about his question, what is the ideal life? Something that many people are searching for. After reflecting upon it, I'm convinced that the Christian life is the ideal life. I'm convinced that there is no better way to live our lives than to live them for Christ. Jesus said, "I have come to give you life and life in all its fullness". By committing our life to Jesus, we find a purpose for living and dying. We discover a pathway through the complexities of this life.

The ideal life is not about luxury, it's not about material goods, it's not about escaping challenges, rather it is about stepping out in faith, trusting in a God, who walks with us. How exciting to have a faith that tells you, "I can do all things through Christ who gives me strength". The ideal life is about following in the footsteps of the most remarkable human being who has ever walked on this planet.

The writer of Proverbs discovered the ideal life and so he prayed to God.

“Give me enough food to live on, neither too much nor too little.

If I’m too full, I might get independent, saying, ‘God? Who needs him?’

If I’m poor, I might steal and dishonour the name of my God.” Proverbs 30 v9 (Msg)

The ideal life, is a life that finds peace in the storm. Jesus does not promise us a life with no problems, but he does promise to be with us in the midst of the storm. He was with the disciples in the storm, he calmed the wind, and brought peace to the sea. When Jesus is in our boat, in our lives, we have someone who has power over storms.

The ideal life is about knowing what to do with our worries.

Jesus said, “Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more than food, and the body more than clothes? Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they? Can any one of you by worrying add a single hour to your life? Matthew 6 v25-27 (NIV)

There is a lovely chorus, “Cast your burdens on Jesus. He cares for you”

Here are some simple steps towards walking into the ideal life.

1. Hand the controls of your life into God`s hands. He is your Heavenly Father and he knows what`s best for you.
2. Commit to God in prayer. “Father, forgive me and fill me with your Spirit.
3. Trust that God cares about you, he already knows the beginning and the end, and he will handle every situation in your life.
4. When things don’t go according to plan – smile, look up, and hear the words of Jesus, “Come unto me, all who are burdened and I will give you rest”.
5. Refuse to allow the weight of a burden to come back into your mind. Actively resist it by saying out loud “I have given this care to the Lord. I will not carry it.”
6. Have peace knowing that your name is written in the book of eternal life.

The person with the ideal life has a peace, a peace that passes all human understanding – because that person knows, that there is nothing in all creation that can separate them from the love of God.

There is so much more that I could say about the ideal life, but I think the Apostle sums it up superbly well, when he writes,

“I have learned to be content whatever the circumstances. I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. I can do all this through him who gives me strength”. Philippians 4 v11-13 (NIV)

The ideal life, ultimately, is contentment, knowing that we are loved for all eternity.

I invite you to commit and recommit yourself to the ideal life. To hear the words of Jesus, “Take up your cross, come and follow me.” The ideal life is a life that begins here on earth now and continues for all eternity,

Every blessing

The Way Forward at Cadder Church

On our chancel, there is a list of ministers going back to 1572, I am the last name on that list, and to be quite honest, when I first saw the list, I felt a bit overwhelmed. There have been 58 known ministers who have served at Cadder Church over the last 700 years. I'm sure that each and every one of them has been totally different in style and personality. But I would hope that each one of us has one thing in common, a desire to see the Gospel spread and the Church grow and flourish.

I'm delighted that in Cadder Church we have members who are actively serving and leading and taking the church forward. I commend them all to your prayers and I pray that you will encourage them.

Over the last few years, we have been working on the Cadder Growth Plan. The Cadder Growth Plan is built on the Mission of Jesus, which is based on the five marks of mission. The National Church has encouraged churches to focus on the marks of mission. So, we are building God's Kingdom and we do so through our teams reaching out in mission, supported closely by our resource teams. Both mission and resource teams have the same purpose, to build God's Kingdom at Cadder Parish.

At the same time, we have the Presbytery Mission plan, which impinges upon us, and the Mission Plan for Bishopbriggs, will eventually reduce the three Church of Scotland's to two ministries; we are in a process of working this out, and over the Autumn discussions will happen with Presbytery, and the other two churches to find a way forward.

The Bishopbriggs plan gives us the opportunity to work closer together with our brothers and sisters in the other two Church of Scotland`s in Bishopbriggs, and to build God`s Kingdom, not just in our own parishes but across Bishopbriggs; naturally, this will bring its own challenges, but if we keep our eyes fixed on the mission of Jesus, and keep our focus on Him, remembering that He is the corner stone and the head of our church, then we will work together in mission and unity and continue to build God`s Kingdom here and now.

I urge you to pray for the building of God`s Kingdom at Cadder and in Bishopbriggs, and pray that God will open new doors for us, and show us ways of being the body of Christ, in this changing culture and world that we live in.

Rev John

A very successful Christian Aid again. The cash received from donations at Cadder amounted to £1,259.39 with a further approx. £250 from Gift Aid .The quiz held in May had an attendance of about 80 which generated in excess of £400 .

Many thanks from all the team at Christian Aid.

Worship and Spiritual Leadership

Remit of the team “**Help develop worship in and around church buildings through the use of technology, music, and all age participation. Develop a learning programme to share the message of Jesus in both formal and informal ways. Explore other opportunities for wider use of the church buildings for worship and learning**”.

If you are interested in supporting this team, please contact Rev John asap. This is an opportunity for members who are not heavily involved in other church business.

During the summer break the property team have coordinated the removal of the stage in the South Hall which was carried out by Springburn Men's Shed Group. Since then the property team have been busy replacing the floor at the stage area and the wall panelling behind where the stage was. Now these tasks have been completed new storage will be installed at the rear wall for our organisations. The team have also organised and overseen the resurfacing works to the pot holes in the car park at the South Hall, hopefully making the car park safer for users.

CADDER GROWTH PLAN 2024

It's been a busy year so far around the church. Our Growth Teams have been working hard to deliver the activities set out in the Cadder Growth Plan for 2024. Here is just some of what has been going on in the first half of the year.

Screens were introduced in to the church at the start of the year opening up opportunities to develop our worship. Through the screens we have been able to reflect on beautiful and challenging images; the children have enjoyed storytelling through film clips; hymn and song words are provided on the screens and images of activities going on around the church have been shared.

In February, the Girls Brigade held the first Cadder 'Kurling' competition which was hotly contested by teams drawn from groups around the church. The Care & Fellowship Team were victorious on the day! In May, the Coffee Shop Team led a great Cadder contribution to the Bishopbriggs Community Day supported by a number of other Growth teams and church organizations. Also in May, the Community and World Outreach Team made a significant contribution to Christian Aid Week helping to organize events and fund raising. The Team continues to co-ordinate weekly foodbank donations from the congregation.

Our Cadder Kids group is a lively and important part of our Sunday worship and we have seen continued growth in the number of young children and families connecting with the church through Saturday Chat 'n Play meet ups and Messy Play sessions on Tuesday and Thursday mornings. We had a very happy Cadder Family Indoor Street Party in the South Hall in June hosted by the Nurture and Care & Fellowship Teams. Cakes, ice cream, games and bunting were enjoyed by the many folk of all ages who came along.

In March, the Caring for Creation Team hosted a Glasgow Presbytery wide climate change conference. The team has also led eco services; provided wildflower seeds to the congregation and continued to encourage recycling around the church. The Communications Team has been busy producing our Cadder Gazettes and working on redevelopment of the Cadder Church website.

Alongside special events, the Coffee and Retail Shops continue to provide a community based fellowship hub in the South Hall through the week; the Property Team takes care of our buildings and the Stewardship Team takes care of our finances and manages risks around the church.

Our Growth Teams are organised under ‘Mission’ and ‘Resources’. As you will see, we have a few team leader vacancies in the Growth structures at present. We would also welcome more team members generally. Please have a think about whether you would like to join any of the teams. If you would like any further information please contact either John, our Minister, or Gillian Crompton (Cadder Growth Plan Co-ordinator / 07715 427611 or gcrompton19@gmail.com). Or just speak directly to any of the leaders. A full copy of the Growth Plan can be found on the Church website.

News from the Guild

Cadder Guild News

On June 13th 7 Guild members attended the Echoes of Assembly meeting which was hosted by Jordanhill Parish Church. The Rev. Bruce Sinclair gave a most enjoyable talk on his experiences from the weeks events at the Assembly. It was lovely to catch up with friends old and new following the meeting.

Our Annual Picnic in the Park was due to be held on Thursday July 25th and as it was rained off last year we had booked the North Hall as a... just in case.... And on the morning of the 25th the decision was made to go to the North Hall as rain was expected which duly happened at exactly 2 p.m. so.....our Picnic became a Summer Gathering in the Hall but there was fun, chats, games, tea, coffee & cake plus Chocolate ices. It was a most enjoyable afternoon!

We look forward to our New Session which opens on Thursday 5th September at 7 p.m. in the South Hall. This will be an informal At Home Night with various activities and time to chat and catch up with each others' news.

Guild week begins at the Annual Gathering and lasts until Sunday 15th September.

The Annual Gathering will be held on Saturday 7th September, 11 a.m. - 4 p.m. in the Assembly Hall Edinburgh. Eight members from Cadder Guild are attending The Gathering.

During Guild Week there will be a series of three meetings being held on Zoom, with the first two at 7pm and the third at 10am these meetings are:

9th September 7pm Scottish Bible Society & Release International

11th September 7pm Bear Necessities & Crossreach

12th September 10am two previous project partners

to access these meetings use the link Meeting Information - Zoom

Our Dedication Service will be held in Cadder Church on Sunday 15th September at 10.30 a.m.

AND.... finally an invitation

We at Cadder Guild are a happy, friendly, and amenable group we would warmly welcome new members... please come along on our opening night to see for yourself or if you would like someone to bring you along please contact either of our conveners by Telephone or email and we will gladly arrange that.

The Guild has a varied programme of speakers and events as well as Fundraising.....

212th Glasgow Company, The Boys' Brigade

All Sessions will start back at the end of August. We look forward to welcoming all boys back and those who will join us for the first time.

Planning started some weeks ago for the Session ahead. Company/Seniors have a visit to Foxlake Adventure Centre in Dunbar at the beginning of September. We have tickets for Scotland v Croatia at Hampden in November which I'm sure will be a fantastic experience for everyone. Anchor Boys have a full programme of activities planned including a visit to Pinkston and several outdoor sessions – weather permitting.

Our first fundraiser of the year will be our Coffee Morning which will take place on Saturday 21st September 2024 in the South Halls. This is our main fundraiser of the session and raises funds to support our activities and events throughout the session.

The Junior Section Sleepover at Glasgow Science Centre is always a great adventure for the boys. This year's sleepover takes place on Friday 4th October which is the date the Boys Brigade was founded in 1883.

Our Annual Plant sale returns on Saturday 10th May 2025.

Please check our website and Facebook page for up to date information nearer the time.

This year we have chosen to continue to support the local foodbank. As we did last year, we will collect donations towards the end of the year.

Volunteering with young people is very rewarding so if you are interested in coming along to help us please get in touch – we would be delighted to have your help. **Please email info@212glasgow.co.uk**

For up to date information on all our events and activities, please visit our website at 212glasgow.co.uk. Follow us on Facebook 212th Glasgow Boys' Brigade.

THE CADDER SINGERS

By the time you read this we will have started rehearsals already. With a concert for a Parkinson's group on August 21st we decided to start a little earlier this year. Thoughts are also turning to a Christmas Concert as usual, which seems a bit bizarre in August, but it takes a while to get decisions made. If anyone has any requests, I'd love to hear them. This year our Christmas Singalong will be held in the church on Sunday 22nd December. Put the date in your diary now!

Our numbers are small but we have lots of enthusiasm, and once again, we invite anyone interested in singing with us to come along any time. We meet in the North Hall at 7.15 p.m. on Wednesday evenings. You will be made very welcome.

92nd Glasgow Company, The Girls' Brigade

Our first night back to Brigade is Tuesday 20th August starting with a full company evening and we look forward to seeing our girls back for our new session and welcoming new members too.

I cannot give out many dates for this coming year as our staff meeting is not until 14th August, two days after writing this article.

We do have Saturday 15th March 2025 booked for our Coffee morning and we hope you will manage along then.

Our junior camp to St. Andrews was a great success. The inflatables session at the West Sands Swimming Pool caused great hilarity and all had a fun time.

We all went to Pizza Hut for dinner on the Saturday night and thoroughly enjoyed our meal.

Our explorer trip to Five Sisters Zoo was enjoyed by the 15 explorers who attended and the staff as well. To top off a great day out, we were complimented twice by zoo staff on the girl's behaviour. It was a pleasure to be with them.

After the success of last session's Kurling Competition, we will be arranging another one. Now that you know what you are coming to, we will expect great things from you all.

This year, our main charity is Glasgow Street Aid and all money raised from Kurling will be donated to them.

Ten Commandments for Senior Citizens
(Or Keep taking the Tablets)

1. Talk to yourself. There are times when you need expert advice.
2. "In style" are the clothes that still fit.
3. You don't need anger management. You need people to stop irritating you.
4. Your people skills are just fine. It's your tolerance for idiots that needs work.
5. The biggest lie you tell yourself is: "I don't need to write that down. I'll remember it."
6. "On time" is when you get there.
7. You've noticed people your age are much older than you.
8. Ageing has slowed you down, but it hasn't shut you up.
9. You still haven't learned to act your age
10. "One for the road" means paying a visit before you leave the house.

Caring For Creation Group

Caring for Creation Service

We are currently planning our next Caring for Creation Service and will confirm the date shortly.

Following our distribution of wild flower seeds in the Spring, we are looking for children and members to send us photos of their wild flower patch which will be displayed at our Caring for Creation Church Service.

Plant Some More in '24

One of our ongoing themes is to encourage everyone including children to plant a tree this year.

Trees absorb and store harmful greenhouse gases such as CO₂, nitrogen and sulphur dioxide. Trees produce oxygen. They absorb heat and provide shade as temperatures increase worldwide. They increase land fertility through enriched soil. By absorbing moisture they help reduce the effects of increased rainfall and flooding.

If you are unable to plant a tree in your own garden, check out the undernoted websites and make a donation towards tree planting.

www.plant-for-the-planet.org ; www.woodlandtrust.org.uk ;
www.rainforesttrust.org ; www.worldlandtrust.org/appeals

Let us know what you have chosen to do to help save our planet from the effects of climate change.

Recycling

We continue to encourage recycling of spectacles which go to Vision Aid; printer cartridges which are recycled for Christian Aid and mobile phones which at present, we cannot recycle for charity but they can be recycled by technology companies. A box for recycling is available in the church vestibule and there is a drawer in the display unit in the South Hall entrance area.

There are now a number of additional items that can be put in the council orange recycling bins including clean tin foil, plastic food containers and food wrappers, empty pill blister packs, aerosol cans, and empty plastic and glass pill bottles.

If you in any doubt about what to recycle where, please ask.

Notice Boards

The notice boards at the North and South Halls are regularly updated and worth having a look at when you visit either of the halls.

Muddy Church

At our last “Muddy Church” on Wednesday 7th June where we had a walk round Bishopbriggs Park to see all the tree and wood sculptures including the bears and the honey pot, the three little pigs, the sleeping dragon, and the tree house stopping on the way for a snack and short bible story and prayer. The event was a great success with a good turnout of children and adults.

As you might notice from the above, we are focusing on our members taking action at home to encourage the whole congregation to be part of our fight against Climate Change.

Walk to Church Sunday

Once again we are hoping that our members will help the climate by walking to church on the last Sunday of each month.

If you are able, and within reasonable walking distance, we are asking that you walk to church on these days.

If you are not so able, we are hoping you will perhaps park away from the church and walk part of the way to church but within a distance you feel able to achieve there and back to the car on the day.

Pride in our Environment

We will be organising a litter pick in an area relevant to our church buildings in a few weeks’ time and will be looking for volunteers to come along and help. We would not anticipate spending any more than an hour and the date and location will be announced shortly.

It’s time for us all to do our utmost to reduce our carbon footprint!

Cadder Men's Club Session 2024/2025

Starts Tuesday 1st.October

It is almost that time of year again, yes. the start of the new session of Cadder Men's Club.

We hold our meetings fortnightly, on **Tuesday afternoons at 2 p.m.**, in Cadder South Halls.

The usual format is the talk approx. 40mins followed by time for some questions, finishing around 3.15 p.m.

You would be most welcome to join us for some lunch or a snack in our coffee shop, around 12.45. (prior to the presentation.). This is an opportunity for a catch up and some fellowship before the talk.

We are open to all, church affiliated or not. What about bringing a friend too.

For our first meeting, we welcome Vic Southgate relating his stories of his Isle of Arran adventures. This is followed by –

October 15th. Bee Talk – Dehlia Henry

October 25th. Bridgescapes – Bruce Keith

November 12th. AJ Cronin / Dr. Finlay, The Citadel and the Founding of the NHS – Frank Dunn

November 26th. QUIZ

December 10th. Coffee Shop Afternoon Tea (tbc)

An autumn outing is in the process of being arranged.

If you have difficulty getting to the South Halls, please contact either Bill McInnes or myself for assistance with transport.

Make a note- opening meeting is on Tuesday 1st. October when a very warm invitation is extended to all.

Remember If you are unable to commit on a regular basis but are attracted by a particular presentation topic please come along and enjoy!

Cadder Nurture Team

The Nurture Team had a very successful 2023-2024 and we are excited to get going again. In June we brought our year to an end with our Summer Street Party Picnic and were so pleased to be joined by many of the Cadder family. We enjoyed an afternoon of games, cake, and ice cream. We were very grateful to the Care and Fellowship team, led by Janet, for helping us set up and serve on the day. Thank you to everyone who helped make it a success and to all those who came along.

Our **Chat and Play** sessions will start again in September and run monthly. It has been an excellent opportunity to open the doors of the South Hall and we have been so pleased to welcome families from Cadder and from the wider community. There are a range of things for the kids to do, both indoors and outdoors, and always with tea and cake available to have whilst catching up with old and new friends. We are grateful to the other Cadder teams who have been involved in these mornings and all our helpers too. The very successful **Cadder Messy Play** will start on Tuesday 27th and Thursday 29th of August for the new term. Laura will have lots of different themes planned and the children will be looking forward to having lots of fun whilst getting very messy!

After lots of fun in the **Team Room** over the summer we are looking forward to seeing all the babies and young people back for another session at Sunday School on the 25th of August. At our Prizegiving we had an opportunity to thank Marjory McNally and Ailsa Young for their service to the crèche - we will miss them but they know they are always welcome to visit! Julia Malloch, David and myself will be trying to fill their shoes whilst Laura and Eleanor will be taking the P1-P3 group and Susan will be looking after our P4 and up. We gather for snacks, stories and crafts each Sunday after our time in Church and Team Room will run with the support of Anne during holidays.

If anyone has any questions or suggestions please come and chat to Laura and myself. If anyone would like to join us as a member of the team or a supporter we would be very glad to have you. We look forward to planning lots of opportunities to get together this year for our young people, their families, and the wider congregation.

Foodbank Thanks

Foodbanks provide free food to those who are in need. We come under the auspices of the Trussell Trust which has more than 1200 banks throughout the UK.

Professionals such as health visitors, social workers, and school staff are aware of people in need and can pass on a voucher to them which entitles the recipient to an emergency parcel of three day's non perishable food.

We deliver the gifts brought to church and are overwhelmed by the generosity of our members. We take the gifts to Kirkintilloch and from there they go to various centres in East Dunbartonshire.

Thank you for your help and support. It is greatly appreciated.

Gillian Melvin & Margaret Neely

George and Margaret Redpath

Thank you for the beautiful basket of flowers, the lovely cards and good wishes we received on the occasion of our Diamond Wedding. We feel very blessed to have been able to celebrate 60 very happy years together.

Cadder Coffee Shop

After the summer break the Shop and Coffee Shop reopened on Wednesday 14th August. We look forward to welcoming regular and new customers in to enjoy a drink and a bite from our delicious range of home baking. We believe we also have the best range of gluten free baking you can find locally. To cater for the increasing number of young families who have been staying on for a bit of lunch after Messy Play we have purchased additional high chairs as well as colourful plates and cutlery for the young ones. We offer a wide and varied children's menu.

During this coming year from Saturday 12th October we will be open from 10 a.m. to 1 p.m. on the second Saturday of each month for **Saturday Brunch**. Hot filled rolls will be on offer as well as our usual fresh baked scones. So that is Saturday 12th October, 9th November and 14th December. Why not have a wee change to your usual Saturday?

Last year for the first time we worked with Bishopbriggs Community Council to open our South Halls on the evening when the **Christmas lights** were switched on at Bishopbriggs Cross. We are planing to do the same this year, combining this with our usual November Shops Open Day event. In addition to the range of charity Christmas cards and gifts from our own shop we will be inviting in stallholders with a wide range of gifts suitable for Christmas. The Coffee Shop will again provide a take away service for hot drinks and hot dogs as well as our usual sit in service. This is a community wide event and will be held on **Thursday 21st November from 4 to 7 p.m.** at Cadder South Hall.

Over the summer our Gift Shop team have been busy restocking and sourcing new items for the shop, so it is worth a browse, to get gift ideas or an 'essential' treat.

You can see from the above that there is still a lot of activity associated with the Coffee Shop and Shop. None of this could happen without our dedicated volunteers.

We are ever grateful to the volunteers, for their contribution to the running of the Shop and Coffee Shop and for the contribution they make to providing a place of welcome and fellowship for Cadder members and the wider community.

We are always in need of additional volunteers, wither on a regular basis or to cover holidays, additional events or other commitments. We will be delighted if you can offer your help and support, so please pop in or telephone our manager, Jaqueline, on the number below for a chat.

If you haven't visited the Coffee Shop or browsed in the Shop recently, why not make a diary note to pay us a visit.

We look forward to welcoming you back.
