

CADDER NURTURE TEAM Newsletter

June, 2023

- Messy Play has been hugely popular and we hope everyone who has come along has had a fantastic time getting messy and exploring new materials! We have had fun exploring different themes including the farm, space, under the sea, minibeasts, the zoo and we're about to finish our block with a mini beach party! Our sessions are finishing up for the summer holidays after our "beach party" and we will be starting back at the beginning of September.
- Church picnic was a lovely afternoon at Allen Glens. The children had lots of fun running around the grass and playing games, even the adults joined in some of the races and had a great time! Some lovely picnics were enjoyed, we also had members join us from Springfield Cambridge and Kenmure and it was great to see everyone chatting away. We finished the day with a lovely service and songs to round off Christian aid week.
- Chat and Play mornings have been enjoyed by both children and parents. We've done lots of different crafts, played fun games, taken part in a range of activities and enjoyed some tasty treats and refreshments. Our gardening club has also been great fun for the children and they are looking forward to seeing their plants starting to grow! It's also been lovely to see some new families coming along to join in. Our next one will be on the 2nd of September and everyone is welcome to come along and join us!
